**College Career Development Centre Vacancy Listings:**

College Career Development Centre advertise vacancies for graduates and students on behalf of employers. Check these websites on a regular basis as new vacancies are frequently added. Note that all careers services will advertise jobs available throughout the island of Ireland and internationally, not just in the region where they are based. They include immediate vacancies, graduate programmes, internship programmes, summer and part-time jobs

**Company Websites**

Look at company websites directly and check out the vacancies that they are advertising. For lists of relevant companies use the directories below.
