Grangegorman

Co-presenter :
Breda Noonan
Postgraduate Admissions

Introduction to Postgraduate Options

- Postgraduate Certificate 30 Credits Level 9
- Postgraduate Diploma 60 Credits Level 9
- Masters 90 Credits Level 9
- The above are all referred to as taught Masters
- There are both Full-time and Part-time Options Available at TU Dublin

Postgraduate Research

Phd (Doctorate)

Level 10

Unlike taught Programmes you will research your own projects and make an original contribution to knowledge in a particular area of study.

For those interested in Phd you can talk to our Postgraduate Research department.

Considerations – what questions should you ask yourself?

- Time and flow
- Effort
- Financial considerations
- Jobs Market

Postgraduate Options

- TU Dublin is the biggest provider of Part-Time Education in the Country
- There are 50 “Conversion Courses” available at TU Dublin
- FT: 60 (including 6 Jan start programmes)
